How to use EagleCast Subscription on IOS/Mac Using Purple Playlist Player

Install from App Store:

Go to the App Store from your iPhone or Mac or AppleTV device and search for "Purple Playlist Player" once you have found it, install it on your device.

Step 1: Press SKIP [Do not register/login]

The Purple Player comes with a nice and user-friendly design. It offers a premium version of the app with additional features which are not required to enjoy EagleCast Subscription.

You are recommended to Press Skip from the Create Account Page

Step 2: Login with Code

Navigate to the third section which says Login with Code and enter the code provided by EagleCast Service Provider/Support.

	Add Playlist		Add Playlist
